11. Described in detail the scope of work to be done:

I certify that I have read this application or declined the opportunity to do so, and state that the information provided is correct. I agree to comply with all Town of Brooks ordinances, Fayette County, and state laws relating to building construction and hereby authorize representatives of the Fayette County Building Department to enter the above-mentioned property for inspection purposes. I certify that I have a legal right to apply for the building permit and to authorize entry. Additionally, I certify that this application is not in conflict with zoning regulations and any deed restrictions of record; is in conformity with all conditions, covenants, and restrictions; and I have received all approvals required. Once this application has been approved by the Town of Brooks, a building permit must be obtained from the Fayette County Building Department, 140 Stonewall Avenue West, Suite 201, Fayetteville, GA 30214. To proceed, they will need a copy of this form, including plans and site plans.

Fayette County may require additional information, including an "Erosion Control" plan. All required erosion control must be in place before the start of construction.
